# Feed Reader Testing

## REVIEW

## CODE REVIEW 5

## HISTORY

► [jasmine/spec/feedreader.js](#) 4

▼ [README.md](#) 1

```
1 # Feed Reader
2
3 ## How to use
4 1. Download or clone this repository.
5 2. Navigate to folder named feed_reader.
6 3. Open index.html in a browser.
```

AWESOME

README includes the steps to successfully run the application

```
7
8 ## Tests written
9 1. RSS Feeds - Tests that feeds are loaded, named, and linked properly.
10 2. The Menu - Tests that the menu opens and closes and is hidden by default.
11 3. Initial Entries - Tests that entries are loaded properly.
12 4. New Feed Selection - Tests that feeds load correctly and that display chang
